Summary:

MCA graduate with a passion for coding and a strong foundation in core Java, C/C++, data structures, and MySQL, and having a good knowledge of Spring Boot, Spring MVC, Rest API, Javascript, CSS, HTML, and Hibernate.

Eager to contribute skills in software development and problem-solving to drive innovation and deliver impactful solutions. We are committed to continuous learning and professional growth.

Education: -

Course / Degree	School / University	Grade / Score	Year
MCA	CSJM UNIVERSITY KANPUR	70.9	2023
B.Sc. (computer science)	University of Allahabad	55.40	2021
Intermediate	C S memorial Inter College	77.00	2017
High school	C S memorial Inter College	85.16	2015

Skill:

- Quick learner
- Problem-Solving
- Team Work
- Self-Learner and self-motivated

Technical Skills: -

- Java (Core Java)   : Intermediate
- C, C++   : Intermediate
- Data Structure   : Intermediate
- MySQL (SQL)   : Intermediate
- JavaScript   : Intermediate
- Html   : Intermediate
- CSS: Intermediate
- BootStrap
- Software Engineering
- Python

Framework:

- Spring Boot
- Spring MVC
- Hibernate

- Rest API

Projects:

- **Airline Management System**

  - Developed a comprehensive software solution for flight management, ticket generation, and passenger and flight record keeping.

  - Implemented using Java, AWT, Swing, and JDBC.

  - Utilized NetBeans IDE and XAMPP server for development.

- **Fees Management System:**

  - Created an efficient software system to manage student fee records, including registration, fee tracking, and receipt generation.

  - Developed using Java, AWT, Swing, and JDBC.

  - Leveraged NetBeans IDE and MySQL for development.

- My Note
  -It's software to create notes, and the web-based project uses CRUD operation with Hibernate, Spring, and JSP.

- Portfolio Page

  This includes some basic details, which can be seen on this live page.

Achievements:

- At some Coding Platform I have practiced such as HackerRank, HackerEarth, and GeeksForGeeks.
- I have honed my logical, analytical, and problem-solving skills while coding in C++ and Java.

Experience:

- Currently Working: (From Aug- 2023)
  Itdose Infosystem Pvt Ltd (Noida)
- Technical Support (Machine Team): Handle the database and Machine Application configuration and development

Language:

- Hindi   : Native
- English   : Fluent

Additional Information:

- Strong problem-solving and analytical skills.
- Excellent communication and collaboration abilities.
- Proven ability to learn new technologies quickly.
